Sir:

Will you kindly inform me whether the substitution of a head of Liberty on the Blanck dollar in place of the seated full-length figure, was by act of Congress, or by the action of the Mint authorities?

When the Spanish pixpences and shillings were retired about 1858 was the re-coinage into American silver forced by any legal requirements? These questions are purely personal and if you favor me

To the Superintendent

Sir:

Will you kindly inform me whether the substitution of a head of Liberty on the Bland dollar in place of the seated full-length figure, was by act of Congress, or by the action of the Mint authorities?

When the Spanish sixpence and shillings were retired about 1858 was the re-coinage into American silver forced by any legal requirements? These questions are purely personal and if you favor me by a reply your kindness will be highly appreciated.

Yours respectfully,
John C. Groves, Asst. Cashier
